At Aviary we are committed to serving only the highest quality British produce. All our meat is sourced from small British livestock farmers using the very best of the UK’s heritage breeds for example, White Park cattle from Dorset and Longhorn cows from the Lake District. Our fish is responsibly sourced from south coast dayboats and British fishing ports, wherever possible. Our prime cuts and fish on-the-bone are cooked over live charcoal at temperatures of up to 550 degrees Celsius in our cast iron Bertha coal oven to ensure the best possible flavour compared to traditional cooking methods.
