# AVIARY

At Aviary we are committed to serving only the highest quality British produce. All our meat is sourced from small British livestock farmers using the very best of the UK's heritage breeds. Our fish is responsibly sourced from South Coast day boats and British fishing ports, wherever possible. Our prime cuts and fish on-the-bone are cooked over charcoal at temperatures of up to 550 degrees Celsius in our cast iron Bertha oven to ensure the best possible flavour compared to traditional cooking methods.
